25 May 1966

MEMORANDUM FOR THE RECORD

Morning Meeting of 25 May 1966

25X1 [redacted] of ORR gave a briefing on the Soviet international air operations.

R. Jack Smith [redacted]

25X1

[redacted] reported that Secretary Rusk will be traveling to Europe next week and that OCI will give daily intelligence support [redacted]

25X1

Godfrey briefly noted the situation in Vietnam. It was agreed that a memo on the effect the U.S. stand in Vietnam had on Southeast Asia in general would be sent to Mr. Moyers in the White House over R. Jack Smith's signature.

25X1

25X1 Warfield reported that Admiral Moore, CINCLANT, will visit [redacted] on 8 June. He also noted the article in the New York Times today on Air America.

Earman reported briefly on the Walter Cronkite program last night from the Dominican Republic.

Bross noted a request from General Taylor that the latter be briefed on the Soviet ABM program next Tuesday.

Executive Director noted that a nephew of Pat Coyne had been killed in an auto accident. He also noted a memo from the President on the use by the U.S. Government of its holdings of excess currency in various countries. (See Action item 1) He initiated a discussion of the depth of briefings to be furnished to our BOB examiner. Bross suggested that this be the subject of a separate meeting and the Executive Director agreed.

ACTIONS

1. The Executive Director would like a report on what the Agency could do to comply with the President's memorandum on excess foreign currencies. (DDS by COB 3 June)
